30. (A) mean (B) correct (C) slim (D) heavy

六、閱讀測驗(16%)

I.

Are you bored with your office work? A small group of people are doing unusual jobs. You will never believe these jobs exist in the world. Have you ever heard about them?

Pet Food Tester

Pets are our friends, and we have to make sure that they eat delicious and nutritious meals. Pet food testers taste pet food to evaluate the flavors and check if it meets standards. Nobody deserves bad food, especially the favorite member of the family.

Water Slide Tester

A perfect water park has fun and safety. A water slide tester's responsibility lies in taking multiple trips down the slide to see how much water it needs, how quickly you can reach the bottom, and how safe and fun it is. What a hard job!

Body Part Model

You don't need to be beautiful to be a successful model. If you have attractive hands or beautiful feet, the world is waiting for you. Besides, some products are also looking for ugly feet or hands. Successful body models are well paid.

Insect Tester

You have probably seen shows like *X-Factor* or *Fear Factor*. One of the challenges is to eat live bugs or insects. To make sure that disgusting food is suitable for eating, companies hire testers. They try terrible food to make sure that nobody will get hurt...except them. High risk is involved, so they are highly paid.

nutritious 有營養的 evaluate 評估 standard 標準 deserve 應得
slide 滑道 multiple 多樣的 attractive 吸引人的 product 產品
disgusting 令人噁心的 suitable 適合的 involved 有關的

31. What is the reading mainly about?
(A) Different kinds of unusual jobs.
(B) Tips about unusual job interviews.
(C) All the unusual jobs are well-paid.
(D) The reasons for doing unusual jobs.
32. What does it refer to(意指)?
(A) A hard job.
(B) A water slide.
(C) A perfect water park.
(D) A taster's responsibility.
33. Why do companies hire insect testers?
(A) Many people enjoy the shows.
(B) Their challenge is to eat live insects on TV.
(C) Insect testers are highly paid because of high risk.
(D) They should check if the terrible food is safe to eat.

II.

Daniel

It's exciting to see my friends in September because I'm usually bored by the end of the holidays. My classmates live a few miles away. I've got no one to go out with.

Erica

I'm looking forward to seeing the kids again. I feel I've had a good break. My students are seven or eight years old. They're sweet kids.

Helen

I don't like the end of the summer holidays. It's back to homework, boring classes and have to get up at six in the morning. The only good thing is sport because I enjoy playing soccer at school.

Mark

It's difficult to believe how quickly the summer goes by. Because I'm a principal, I have a lot of school issues to think about before September arrives. I can't just switch off for six weeks.

issue 問題

34. What are they talking about?
(A) Where their new school is.
(B) Why they don't like homework.
(C) What they did during summer vacation.
(D) How they feel about going back to school.
35. What does switch off mean in the reading?
(A) To damage something.
(B) To spend time with someone.
(C) To stop thinking about something.
(D) To feel excited about something that is going to happen.
36. Which is true?
(A) Daniel visited his friends very often during the holidays.
(B) Mark was busy with school issues this summer.
(C) All of them are happy to return to school.
(D) Erica and Helen are both students.

III.

Earth Day is an annual event celebrated around the world on April 22. It is about raising awareness about a wide range of environmental problems and taking action. Our planet is in crisis due to global warming, pollution, overuse of nature resources, and other critical issues. Earth Day was first celebrated in the U.S. in 1970, and now more than 193 countries hold events about it. We can celebrate it at home or in the classroom by meaningful activities. Taking a nature walk, planting a tree, picking up trash, and reusing materials to make Earth Day art are all good ways to help the Earth. Actually, Earth Day activities can be done at any time of the year, not just during the month of April! Every person shares the responsibility to protect the environment and treat our planet kindly.

annual 每年的 awareness 察覺 range 範圍 crisis 危機
due to 由於 pollution 汙染 resource 資源 critical 緊要的
material 材料

37. Why do we celebrate Earth Day?
(A) It tells us the importance of protecting our planet.
(B) Reducing pollution can be done by every person.
(C) We can do meaningful Earth Day activities.
(D) Global warming is a serious problem.
38. If you are making a plan to save the Earth, which of the following is NOT on your list?
(A) Become a beach clean-up volunteer.
(B) Recycle bottles, cans, paper, and glass.
(C) Donate money to charities to help people.
(D) Bring your own bag when you go shopping.
