I.

My name is Abbie. Tasha and I live on the same street and she was my good friend for a while. But then we were in different groups and I couldn't see Tasha as much, so I made some new friends. A few weeks later, Eddie invited me to a Halloween party, but he didn't invite Tasha. She was upset about **it** and told me not to go. I didn't think that was right, so I went to the party anyway.

After that, things got really strange at school. People started avoiding me and laughing behind my back. Then I saw my name in a web address on the girls' toilet wall. When I got on the site, I felt sick. On the website, there were notes I wrote in secret to Tasha and she even posted some fake messages. I looked like a bad girl on her website. And her posts got more and more likes.

One day, I found the whole class laughing at a picture of me asleep on the bus with my mouth open, and I couldn't stand it anymore. I ran out of school and went home crying. My mom called the headmaster and he made Tasha shut the website down. Tasha's parents made her come over and say sorry. I still can't forgive Tasha now. Many people saw that website and they can still find those pictures if they search for them. Because of Tasha, I worry about it all the time.

(D) She felt upset because people can still find those photos.

II.

Nikki Evans is a car mechanic in London. She worked in a library before. We asked her why she decided to work with cars. "My first reason was independence," she said. "I also wanted to use my hands, and I liked to learn how things work. Also, I found that many people prefer to have a woman repair their cars."

Nikki didn't find it easy to become a car mechanic. She had to go to a Skills Center. People learn a new job for twenty weeks there. She told us about it, "I was the only woman among four hundred men for ten weeks. And some of them were rude to me just because of my sex. It was also very tiring. We learned skills from eight in the morning to five in the evening, with only thirty minutes for lunch."

Now Nikki works freelance. She is the boss, working for herself and not for a garage or a company.
