Richard lives in Canada. He made some friends through the Internet. Gary and Teresa are both Richard's Net pals (網友). Gary is a clerk in a computer shop, and Teresa is a cook. Last weekend, Richard read a piece of (一則) news about poor children in a children's home in Australia. He shared it with Gary and Teresa, and all of them wanted to do something to help.

As a math teacher, Richard plans to teach the children math and other homework. Teresa has a dream: she wants to share her specialties with people around the world. So, Teresa will cook meals for the poor children in the children's home. Gary can't teach math, and he can't cook, either. But he is good at telling funny stories. So, Gary decided (決定) to play with them.

It's the summer months from December to February, so they plan to have a special Christmas this year. They will invite all of the poor children to a beach party on the weekend. At the beach, everyone can enjoy the sunshine, the cool sea water (海水), and the delicious barbecue (烤肉). Doing so brings joy to not only them but also the poor children. That's really cool!
