One of the things I like best about school is my art class. We have a great teacher named Ms. Hilbert. She is a wonderful artist and I like to watch her draw and paint. She taught us how to mix paint to make just the right colors for our paintings. She plays good music while we draw and paint. We draw and paint almost every day in class. Some days we look at pictures of other artists. It is interesting to do this. It helps me to think of things that I want to paint or draw. We have an art exhibit in May this year. We are inviting people from the community to our exhibit. Our parents are invited to go with us. I have three paintings I am working on now. I hope one of them to be chosen to be in the exhibit. mix 混合; exhibit 展出;
