A Food Contest

Elliot West was like any other kid. The only thing that made him different was that he loved cooking. However, everything changed one day when he was ten years old. On the Internet, he saw a TV show holding a food contest for kids. Like Elliot, these kids enjoyed cooking and baking. He decided to join the contest. The competition was not easy. There were different challenges in every round. They had to cook against the clock with limited ingredients. During the contest, the kids took cooking lessons from top chefs. They had a chance to learn more about cooking. After weeks of hard work, Elliot finally won the contest. The award brought him a new life. He was still a kid, but he went to schools to give cooking demonstrations and produced his own cooking show on Youtube.
