Easter is on the first Sunday coming after the first full moon in spring. The dates can be as early as March 22 or as late as April 25. The symbols of Easter are eggs, rabbits, chickens, spring flowers and new clothes. It is a holiday of spring and new life. Christians believe Jesus came back from the dead. Most of them go to church and then spend time with their family and friends. Many churches are decorated with spring flowers.

A special Easter tradition is coloring Easter eggs. People paint hard-boiled eggs in different colors. On Easter Sunday, there are Easter egg hunts. Adults hide real colored eggs or plastic eggs with candy inside around the house and the garden for children to find. Kids fill up their Easter baskets with these eggs. Besides, Easter Bunny brings a basket of toys, candy and chocolate to children. On Easter Monday, people have a good time with Easter egg rolls.
